Russell Investments enhances consulting capability with appointment of Steven Lowe

LONDON, 06 October 2009- Russell Investments today announces the appointment of Steven Lowe to the role of senior consultant in Russell's Consulting and Advisory Services team. Steven's previous experience includes senior roles at Pension Corporation and at Legal & General, where he was a partner in the new business division and senior credit portfolio manager respectively.

"Russell's consulting team comprises of highly skilled individuals including actuaries and investment specialists from diverse backgrounds," commented Sorca Kelly-Scholte, Director, Consulting and Advisory Services. "Steven joins Russell as a highly successful fixed income fund manager with over 13 years' experience in both Sterling and European credit markets. His appointment is testament to Russell's commitment to continually enhancing our consulting capability with leading talent from across the industry. I am thrilled that Steven is bringing his wealth of experience to bear for our clients."

Johan Cras, Chief Executive EMEA added "Consulting is a key source of insight and expertise for Russell. Clients today arguably need solid investment advice more than ever and we expect to continue building our team both in EMEA and worldwide to support them."

Steven will be based in Russell's London office and his appointment is effective immediately.

###

About Russell

Russell Investments is a global investment company with \$151 billion in assets under management as of June 30, 2009. Russell serves individual, institutional and advisor clients in more than 40 countries and provides investment solutions including mutual funds, retirement investments, institutional asset management, implementation services and global stock market indexes. Russell is renowned for its depth of manager research, quality of manager selection and access to some of the world's leading investment managers. It helps investors of all sizes put this access to work in corporate defined benefit and defined contribution plans, and in the life savings of individual investors.
